TEXAN and "TEXAN-TO-BE" MEET IN WASHINGTON

One Texan and one Texan-to-be got together recently in Washington, D. C., in a very unusual way that might intrigue the residens of Comanche County. It was all an accident, which gives the story a special twist. The Texan was Mrs. David Ruesink, now of Philadelphia and wife of the project director of Farmers and World Affairs of that Pennsylvania city. Mrs. Ruesink was until recently Lou Ellen Durham of Comanche. She is the daughter of local druggist, L. C. Durham and Mrs. Durham. The Texan-to-be, which is a slight exaggeration since all he really plans is a good long visit, is M. C. Channarajars of India, who is scheduled to come to Comanche as an in-service county agricultural extension agent under a special arrangement with the Indian Government, the International Cooperation Administration, the U. S. Department of Agriculture and the Texas Agricultural Extension Service at Texas A & M and in Comanche.

How the two got together is stranger than fiction. Mrs. Ruesink started looking for Channarajars last fall in India after receiving a clipping from The Comanche Chief telling of Channarajars' impending assignment in her home town. She and her husband were travelling in India supervising the exchange visits of U. S. farmers visiting that country in connection with Farmers and World Affairs.

She missed the young man several times in New Delhi and other Indian cities where she thought she would run in to him. So she gave up the search although she had wanted to brief him about Texas.

So returning to Washington for special reporting as USDA, she and her husband made an appointment one day with Cannon C. Hearne, Director of the Foreign Training Division of the Foreign Agricultural Service. Mr. Hearne was so busy that day that his secretary scheduled another brief appointment for the same hour—a quick photograph with the visiting Indian who was soon to be off to Texas. And—of course—the two quickly discovered that they had much in common and the photographer took a picture of everyone involved. They are (l. to r. Cannon C. Hearne, Mrs. Ruesink and Channarajars.

Incidentally, clutched closely in Channarajars' pocket was

Union Easter Sunrise Services

The Annual Union Sunrise Easter Service will be held at the First Baptist Church, Sunday, April 2 at 7 a.m. Rev. Henry Chambers will preside at the meeting. The invocation will be given by Rev. Kenneth Rouse. The Scripture lesson will be read by Rev. Jack Morgan. The Easter message will be delivered by Rev. Harry Hames. Rev. Plez Todd will deliver the benedition.

Special music for the service will be presented by the Pat Howard Choir, composed of outstanding musicians from several of the churches in Comanche. Mrs. V. A. Meyers is organist.

Indians Tie Brady For 2nd AT B'wood Relays

The Comanche Indians showed surprising strength in finishing in a tie with Brady for second place in last week-end's Bluebonnet Relays in Brownwood.

Stamford won the Class A title with 72 points—followed by Comanche and Brady with 44 points each, then Dublin in fourth place with 40 points.

More than 30 top teams entered in the Bluebonnet Relays, which was run in two divisions. Abilene, defending State 4-A champion, won the title in the larger school division, followed by Tascoca of Amarillo, Del Rio, and Brownwood.

Point-winners for Comanche were Jackson Bowers, who finished 1st in the discus, and 3rd in the shot; Bill Meyers, 4th in the discus; Barney Stokes, 3rd in the high hurdles and 5th in the high jump; and Harold Perkins, who won three third places, 100 yard dash, 220 yard dash, and broad jump.

The Comanche Indians will send a seven-man team to the Thursday night meet in Killeen, and will enter a full team in the Brady Relays Friday.

Elections Set For Saturday, Tuesday

CLIMBING ROSES—Pictured before their beautiful climbing rose bush at their home, 602 West Duncan, Comanche, are Mr. and Mrs. Wayne Hill. The beauty of these roses is attracting widespread attention, and persons interested in lovely flowers should make the trip by the Hills, and see these bushese now in full bloom.

Some 1500 to 2000 Comanche County voters are expected to turn out at the polls next Tuesday, April 4—and cast their ballot in the election which will help determine a successor to Lyndon B. Johnson, as United States Senator from Texas.

A record entry field of 71 candidates has been attracted to the race. Generally speaking, six candidates are making a serious campaign in the race—and are believed to be the leaders.

Polls show the leaders to be: John Tower, of Wichita County, Republican, and a professor at Hardin College in Wichita Falls.

William A. (Bill) Blakley, wealthy Dallas businessman, who is presently serving at the post after having been appointed by Gov. Price Daniel.

Jim Wright, of Fort, Worth, Congressman from the 12th Congressional District.

Will Wilson, of Dallas, State Attorney General.

Maury Maverick, Jr., of San Antonio, liberal leader who gets the endorsement of the Union Labor groups throughout the state.

Henry B. Gonzalez, liberal from San Antonio, who is a State Senator.

Then there's some sixty-five others, many of whom are qualified for the post, but seem to stand but little chance of getting a sizeable vote—including Delbert E. Grandstaff of Brazoria County who is the father of Mrs. Bing Crosby. The movie star is now making a whirlwind campaign in behalf of her father's candidacy.

All voting boxes of the county will be open—and voters must vote in the precinct of their legal residency.

Dwight M. Brightman, county judge, has just received a letter from the Attorney General, describing the proper ballot marking under our Texas laws.

This information in part:

"in all elections, general, primary or special, the voter shall mark out the names of all candidates he does not wish to vote for.

"it does not state expressly that a voter, who is marking out the names of the individual candidates shall do so by running a horizontal or vertical line through names of the candidates he wishes to vote against."

Concluding the statement says, "the failure of a voter to mark his ballot in strict conformity with the directions shall not invalidate the ballot, and a ballot shall be counted in all races in which the intention of the voter is clearly ascertainable."

SCHOOL ELECTION SATURDAY

Five candidates seek three spots in the school trustee election Saturday in the Comanche District. Candidates are:

John W. Campbell
H. M. Cauley
Henry Huffman
Floyd W. Prather
Louis G. Harelik

At De Leon, three are in the race for 2 places. They are C. M. Caraway, Jr., Dewey Fields, and Melvin Phillips.

T. C. Mazurek, Jr. and D. E. Steele are seeking re-election as Sidney trustees—and are unopposed.

At Gustine, six candidates are in the race for two places to be filled. They are: J. B. Gunter, J. B. Deal, S. V. Black, Kenneth Burks, George Stephens and Geo. B. Page.

CITY ELECTION TUESDAY

One contest has developed in the Comanche City Election. Two places are to be filled in the City Council Race. Seeking election are incumbent Chester McKinzie along with new candidates Gyale Pirkle, local pharmacist and E. W. Chaney local contractor.

Comanche Mayor John Hall is unopposed for re-election, as is Ruth Loudermilk for re-election as City Secretary.

CURTIS ADAMS GETS 20 YEAR TERM IN "BUCKET" CASE

A 52nd District Court jury took less than 30 minutes Wednesday afternoon to find Curtis Adams, 31-year-old Comanche day laborer, guilty of robbery by assault—an indictment stemming from last January 15th's now famous "bucket robbery" which netted a known $15,000-plus recovered by officers.

The jury assessed Adams' punishment at 20 years in prison

Two spinster sisters, Lona and Hester Anderson, 78 and 76, lost an 8-pound lard bucket stuffed full of currency that Sunday, Jan. 15 night, after they were awakened at their home on the south edge of Comanche. Men's voices making inquiries if "Is this where the Anderson sisters live?" and other inquiries, threw fear into the two women, and they decided to flee their home with their bucket of cash and take safety cover with neighbors. The sisters finally got to the home of their neighbor — but they lost their bucket of money, a lifetime savings of the couple and their two deceased sisters. In the darkness, the figure of a man loomed up and the bucket was snatched away.

The next day, Monday, officers at Andrews arrested Curtis and J. W. (Dub) Adams, 37 brothers, and held two other men for question—when a disturbance broke out at an Andrews cafe and motel. More than $10,000 cash was recovered from the Adams brothers on their arrest. Comanche officers picked up Billy Joe McDonald, a dairy worker here, on suspicion of being a companion of the Adams brothers on the night the Anderson sisters lost their bucket of money. The two Adams brothers made written statements to officers in connection with their part in the bucket snatching. McDonald refused to make a written statement, but returned more than $5,000 cash to officers. He told officers and newsmen that he had kept the money hidden from Sunday night until late Wednesday, under a mattress on his bed.

The Adams brothers and McDonald were indicted early in March in the robbery. All were accused by indictment of robbery by assault, incorporating theft from person.

James W. Fanning, Comanche attorney was appointed by Dist-

Brucellosis Committee Plans Control Program

Comanche County's Brucellosis Committee, composed of A. N. Boyd of Gustine, Don Chester of Soda Springs, and John Robertson of Comanche, met last week to draw up tenative plans for a brucellosis control program in Comanche County.

The committee, under the sponsorship of the Comanche County Livestock Association, will contact leaders in the county and plan to have a meeting of these leaders the first week in April to outline a detailed program.

Boyd will contact interested individuals in the south and eastern area of the county between the Goldthwaite and Dublin highways. Chester will work the northern area of the county betpeen the Dublin and Rising Star highways. Robertson will contact leaders in the western area of the county between the Rising Star and Goldthwaite highways.

HERE FOR LUBBOCK

Dr. and Mrs. William Cauley, of Lubbock were Comanche visitors this week.

Three Changes Made In Local Law Enforcement Positions

Three changes in positions held by local peace officers were announced this week.

Chief Deputy Sheriff Son Fox, whose family has been living in the County Jail apartment where Mrs. Fox is matron, has resigned to accept a place as Night Policeman for the City of Comanche, succeeding Bobby Conway.

Leon Sledge, who has been public relations officer and an assistant to Manager Bill Parks of the Comanche County Electric Cooperative Association, has resigned to accept the deputyship resigned by Fox. Sledge and his family will live in the jail apartment and Mrs. Sledge will be matron. In addition to his duties with the REA. Sledge had been a special deputy sheriff for some time.

Parks said the position formerly held with the REA by Sledge would not be filled, at least at this time.

28 Baptized At Baptist Revival

Twenty-eight members were received in the church by baptism Sunday night in addition to others who came in by letters as the pre-Easter revival came to a close at the First Baptist Church here.

The evangelist was Dr. L. D. Ball, pastor of Pleasant Grove Baptist Church, Dallas.

Large crowds attended both morning and evening services. The revival was a climax of a month long Sunday School rally which saw the attendance reach a high of 435.

Miss Ruth K. Stringer Resigns As HD Agent; Plans July Wedding

Ruth K. Stringer, efficient and popular Comanche County Home Demonstration Agent, has resigned her position here, effective June 1.

Miss Annie Lucy Lane, District Home Demonstration Agent, Stephenville, and a former County Home Demonstration Agent here, announced Monday that she has been notified by the Comanche County Commissioners Court to get a replacement just as soon as possible.

Miss Stringer plans a July wedding. Her engagment to Leonard Jander, Waco, has been announced. He is an accountant with Texas Power & Light Company.

Miss Stringer, who has just completed one year of service with the Extension Department here, is a graduate of Hillsboro High School and Texas Womans University, Denton.

PROCTOR DAM CONSTRUCTION is progressing well ahead of schedule, reported Col. R. P. West, Corps of Army Engineers, Fort Worth, in a talk at the annual Chamber of Commerce banquet held here last Thursday night. Work on the $18,000,000 Comanche County project moved into high gear in January, with the first large contract awarded to R. N. Adams Company, Kaufman, for spillway excavation, and part of embankment.

Talent Show Set At Hasse Saturday

There will be a Talent Show at the Hasse Community Center on Saturday night, April 1, at 7:30 o'clock. Prizes will be awarded to first, second and third place winners.

Plan Rummage Sale Saturday

The Methodist Youth Fellowship of the First Methodist Church will sponsor a rummage sale Saturday, April 1, in the McDonald Building on the West side of the Square. Proceeds will go toward redecorating their Sunday School class room.

Next Sunday is Easter, a religious festival celebrating the resurrection of Christ.

• •

Easter does not come in the same month, or on the same day of the month, every year.

• •

The encyclopedia says that Easter is the first Sunday after the first full moon which happens or, or after, March 21.

• •

The moon will be full Saturday, April 1. We had a full moon also on March 2, but the one Saturday is the first one since the 21st of March which makes Sunday Easter. It will be the first Sunday after the first full moon on or after March 21.

• •

The latest Easttr can occur is April 18.

• •

According to history no one knows the exact date of the birth of Christ or the exact date of His death.

• •

We know that He died on Friday and arose from the dead on Sunday; and that through His death and resurrection all true Christians will live again.

• •

We are not commanded in the Bible to celebrate any particular day as the birth of Christ nor to celebrate Easter; but we are not forbidden to do so.

• •

Special emphasis is put on religious activities by most Protestant churches and all Catholic churches at Easter season. The Protestants usually feature a pre-Easter revival, climaxing the period of Easter Sunday with the biggest attendance at Sunday School and church of the year.

• •

Catholics and Lutherans observe Lent Season. Lent is a 40-day fast, beginning with Ash Wednesday and ending with Easter Sunday. During this period restrictions are placed on social activities and amusements

• •

The Church of England and the Protestant Episcopal Church of America also observes Lent; but gives no directions respecting the abstinence from food.

• •

In recent years more attention has been given to the Easter season by most schools and colleges in the United States and esepecially in Texas; where an Easter holiday of several days is usually given.

• •

Many schools in Texas remain closed on Good Friday, the last Friday before Easter, even if they do not have a longer holiday period.

• •

Easter also has a fashion slant. It is the time for new dresses and hats for the women and usually at least a new straw hat for the men and boys.

• •

Easter Sunday, weather permitting, usually means the biggest crowds of the year at Bible School and church services.

• •

It is also the season for flowers for the women and girls and Easter eggs for the children, featuring a big egg rolling on the White House grounds in Washington, D. C., a custom of many years standing.

—o—

Other important events during the next few days for Comanche County and Texas, will be the elections to be held on Saturday, April 1, and Tuesday, April 4.

• •

Saturday, April 1, school trustee elections will be held in Comanche County and throughout Texas.

• •

Trustee elections will be held at Comanche, De Leon, Gustine, Sidney, and Proctor in this county.

• •

Five candidates are in the race for places on the Comanche Independent School District board of trustees, with three positions to be filled.

• •

Seeking re-election to the local board are Harry Mark (Buzz) Cauley and Henry Huffman. The other trustee whose term is expiring is Dr. James Slider, who is not a candidate for re-election.

• •

New candidates are John W. Campbell, Floyd Prather, and Louis Harelik.

• •

There are no special issues involved in this race, as far as we know. All are good men and yell qualified. We believe these candidates are well known to the voters of the school district.

• •

Each voter, however, we believe should come to the polls Saturday, April 1, and vote for whomever he believes will make the best trustees for our school, in which we are all deeply interested.

—o—

On Tuesday, April 4, there are to be two elections in Comanche, three at De Leon, and one at all other voting boxes in Comanche County.

• •

An election to choose Comanche city officers will be held at the City Hall, Tuesday, April 4, where all city voters, regardless of what part of town they live in, will vote.

• •

At the same time and at the same place, a special United States Senatorial election will be who live in Election Precinct No. held, but only Comanche voters 1, may vote in the Senatorial election at the City Hall.

• •

Those who live in Election Precinct No. 2 will vote in the Senate race at the Veterans Hall.

• •

The other voters of Comanche County, except at De Leon, will vote Tuesday, April 4, at their usual voting place for their choice for the United States Senate.

• •

We understand that De Leon is to have three elections on Tuesday; one for the election of city officers; the special Senatorial election; and the other on the question of whether or not parking meters should continue in use in De Leon.

• •

We suppose that there will be voting in both Box 15 and Box 33 in De Leon in the Senatorial election; and that the city election and the balloting on the parking meters will be held in Box 15.

• •

In the Comanche City election, Mayor John Hall, who is now serving his second term, is a candidate for re-election without opposition. Ruth Loudermilk, who is serving her first term as City Secretary, is unopposed for re-election.

• •

Dr. William T. Caulhoun, who has served two efficient terms as a member of the Comanche City Council, is not seeking re-election. E. W. Chaney, local building contractor, and Gyale Pirkle, partner in the Service Drug Store, are new candidates for the Council. Chester McKinzie, partner in the Durham Products Company, is a candidate for re-election to the Council. Two are to be elected.

—o—

There were 72 candidates who announced for the vacancy in the United States Senate, caused by the resignation of Vice President Lyndon B. Johnson. Although two or three have withdrawn from the race, the names of all but possibly one remain on the ballot, as their announcements of withdrawal came after most of the ballots were printed.

• •

Allen Duckworth, political editor of The Dallas Morning News, says that Texans Tuesday will have a choice of voting for Senate candidates in three classes of political philosphy — left-right— and middle.

• •

We generally refert to the right wind as Conservatives; the left wind as Liberals; and those in the middle as Moderates.

• •

Generally speaking we usually to Blakley and Tower as Conservatives; Wright and Wilson as Moderaes; and Gonzalez and Maverick as Liberals.

• •

Gonzalez and Maverick both live in San Antonio. Gonzalez is a State Senator who goes all out for integration and the labor unions and is a strong supporter of Kennedy.

• •

Gonzalez ran for Governor in 1958 and was second to Governor Price Daniel who was seeking his second term. The vote was Daniel 799,107; Gonzalez 246,969; W. Lee O'Daniel 238,767; and Joe Erwin 33,643.

• •

It is though that because of his strong stand on intregration, Gonzalez will get a large colored vote.

• •

State Representative Maury Maverick has the endorsement of most of the labor unions outside of Fort Worth, where Jim Wright has been endorsed by part of that organization. Maverick comes from a wealthy influential South Texas family, and his father was once a congressman. Maverick describes himself as being "a Jack Kennedy, F. D. Roosevelt and Ralph Yarbrough Democrat." He is considered by many as one of the strongest men in the race.

Blakley, who is now filling the position as Senator by appointment, has the endorsement of Governor Daniel and by two of the three candidates who have withdrawn from the race, which means perhaps but little.

• •

Blakley, born of poor parents, is now rich, having made a fortune in oil and ranching, and is now also an airlines executive. Blakley, according to Duckworth, is saying very little about his opponent. Most of his speeches have been an attack on big government as opposed to state government. He is a strong supporter of free enterprise.

• •

Will Wilson is considered by many as one of the leading candidates for the Senate, and many think he is almost certain to get a place in the run-off. He, so far, has never been defeated for office. He is a strong supporter of Kennedy and Johnson.

• •

Jim Wright, 38, Fort Worth's Congressman who seeks to rise to the Senatorial post, has the endorsement of the Fort Worth Star-Telegram which supported Nixon in the general election. He is generally regarded as the leading candidate in this section.

• •

Wright is lashing at Tower, Blakley and Wilson in his campaign. He and Wilson are both "Moderates" but some say that Wilson leans more to the "right" than does Wright.

• •

Republican Tower, who made a ibg showing in the election when he p votes against Lyndon for the Senate, has ley a "New Frontie ive" because he v Kennedy-Johnson ti ember.

• •

There is anoth who is attracting a tion and furnishing ment wherever he s er he gets many He is Delbert E. whom Larry Grove say in last Sun Morning News:

Humble T-V Show To Deal On Traffic Safety

AUSTIN — Humble Oil & Refining Company has announced release of a "fresh concept" television public service series dealing with traffic safety and tourism within Texas.

Called "Here's Texas!", the series of thirteen color films was presented to the state by Ray H. Horton, vice president for Humble's Southwest Region, who is also chairman of the board of trustees of the Texas Safety Association.

Governor Price Daniel and Colonel Homer Garrison, director of the Texas Department of Public Safety, accepted the series for the state. Daniel has emphasized the necessity for a safety-conscious motoring public throughout his tenure in public office. Garrison, a veteran of 22 years as head of the state's public safety agency, appears briefly in each of the films.

They, with others, have often emphasized the pleasures of auto travl in Texas. The Humble films stress the same point. They were shot on location throughout the state, and feature members of the public safety department, along with many of the state's outstanding tourist attractions.

The presentation took place at a Driskill Hotel luncheon attended by members of the Texas Traffic Safety Council, Department of Public Safety officers, Texas Safety Association representatives, the Austin press corps, and Humble representatives.

"Here's Texas!" was two years in the making. The series includes the titles Texas Springtime, Old San Antonio Road, Big Bend, Enchanted Country, Big Day in Big D, Houston, Fiesta!, Timberland Tour, Piney Woods, Goodnight-Loving Trail, Palo Duro and Caddo Lake. The films were produced for Humble by Mrs. Linda Shuler of Dallas, who is nationally recognized for her work in the field of motion pictures concerning driving.

Scheduled for release to participating television stations on April 1, the series will also be available to private groups through the Humble film library in Houston.

Attending the presentation for the Department of Pulbic Safety with Colonel Garrison were Lt. Col. Joe Fletcher and Inspectors J. B. Carlisle, N. W. Jackson, C. G. Cramer and Dale Godbey.

The Texas Traffic Safety Council was represented by J. C. Dingwall, assistant state highway engineer; Sam Wilson, assistant state attorney general; Warner Hitt, deputy commissioner of education; and John Winters, commissioner of public welfare.

Humble was represented by Mr. Horton, G. A. Mabry, manager of public relations and advertising, Southwest Region, and J. U. Parker, chief safety engineer and a member of the Texas Safety Association's executive committee.

Also present from TSA were E. C. Stokely, president; J. O. Musick, general manager; Raymond Hulsey, secretary; E. E. McAdams, treasurer; J. W. Davis, chairman; Austin area; and Geo. Gustafson, staff member.

Senior Girls Attend Mother-Daughter Tea

The Senior girls, with their mothers and sponsors, journeyed to Tarleton State College, March 14, to attend the annual Mother-Daughter Tea.

The guests were greeted by the receiving line of sponsors of the tea. Tea was served from 3:00 to 5:00 in the Girls' Dormitory Parlor.

Throughout the tea, the guests were entertained by the Tarleton Stage Band, the Top Hatters. The guests were then shown around the Girls' Dormitory by the students attending Tarleton.

FIVE GENERATIONS—Pictured are five generations at the 81st birthday celebration of Mrs. Maggie McDonald, Comanche. Pictured seated, are Mrs. McDonald and her great-great grandchild, Jackie Isham of Gustine. Others in the five generations present are, left-to-right, Mrs. Margaret Mabra, Blanket; Mrs. Kay Isham, Gustine, and Mrs. Gladys Howell, Gustine. Mrs. McDonald is the former Maggie Sliger. She was married to Homer McDonald on April 6, 1899. He passed away May 26, 1946. Ten children, 8 of whom are still living, were born to the McDonalds. Six of the children were present for the birthday celebration. Attending were Mr. and Mrs. Herman Cox and Mr. and Mrs. Buster McDonald of Comanche, Mr. and Mrs. Ed Mabre of Blanket, Mrs. Grace Gunter of Fort Worth, Mrs. Virgie McDonald of Comanche, Mr. and Mrs. Shorty McDonald and Judy of Hasse, Mrs. Pete Todd and Ronda of Comanche, Betty Guill, Mr. and Mrs. Elton McDonald, and Mr. and Mrs. Vic Isham of Gustine. Mrs. McDonald has 23 grandchildren, 42 great-grandchildren, and two great-great-grandchildren. She is active in church work, and spends much time reading the Bible, as well as visiting with her neighbors and friends, and working with flowers in her yard.

Gustine Girl In Germany Likes Wiesbaden Museum Job

Following is an article which recently appeared in the "Overseas Family News," published in Germany:

WIESBADEN, Germany, Jan. 27.—Once a week a busy American teenager spends an afternoon working in the local museum—for free.

Judy Moore, 17, daughter of Mr. and Mrs. A. M. Moore, of Gustine, Comanche County, Texas, has done restoration work for the Wiesbaden Museum for more than a year. She repairs, glues, colors and cleans ancient pottery at the museum workshop every Wednesday afternoon.

Judy, a top student at the Wiesbaden High School, is allowed Wednesday afternoons off by special agreement to work in the shop.

"Judy is very good and gentle. She is exceedingly talented," said Dr. Helmut Schoppa, director of the Wiesbaden City Museum.

German co-workers were complimentary toward Judy's work and feel happy to know "such a charming and unassuming little American lady."

Judy, whose father works with North American Aviation, Inc., has lived in Wiesbaden for about 18 months and is very interested in archaeology.

"I asked around if I couldn't do work like this so I can learn more about archaeology and also train myself in restoration. I am very happy with the job."

Although she has not yet made up her mind whether she will stay in archaeological studies after entering college, she is excited about going to an excavation camp with the Wiesbaden Museum group.

Judy comes from Texas and likes living in Wiesbaden. She admitted that she has always enjoyed visiting museums and finds the one in Wiesbaden "one of the best I ever saw."

The museum, which displays a collection of antiquities of Nassau, is preparing to open a new, redecorated Roman section sometime in March.

Some of the display cases already finished hold relics from the era of the Roman occupation in Germany—an occupation which lasted more than 200 years.

The official museum restorer, Irmgard Itter, is delighted with Judy's work in the shop. "She is a great student and a patient worker," she said.

Mrs. Power Named Head Of Local Teachers

Comanche Classroom Teachers met Wednesday, March 22, to elect officers for 1961-62.

Mrs. Daymon Power, homemaking teacher, was elected to act as president of the organization.

Mrs. Power, nee Mary Anne Martin of Mart, Texas, is a graduate of Baylor University. Mrs. Power formerly taught for two years in De Leon.

Her hobbies are sewing and working in the yard. The Powers live in the country which they both enjoy.

Mrs. Power says that she believes that Comanche has a fine school, student body, curriculum and faculty. The students are friendly and cooperative and she thinks it is a privilege to be able to work with them.

"Comanche Classroom Teachers feel that Mrs. Power will bring the same enthusiasm to the local unit that she has exercised in her teaching," stated Mrs. Frank Reese, the retiring president.

Other offices for the ensuing year are the following: first vice-president, Louise Hill; second vice-president, Beaulah Stark; third vice-president, Marguerite Ross; secretary, Edna Harris; treasurer, Mabel Boyd; high school representative, Pallie Palmer; J. B. Layne representative, Daun Williams; junior high representative, Dovia Froh; and parliamentarian, Opal Brinson.

Somebody once told the story of a man peddling plums. He asked a lady if she wished to purchase any plums. She said she did not.Her little boy was present and the man told him to get a handful of plums. He was reluctant and his mother asekd him if heh didn't want them. He said yes, but the man's hand was bigger than his and he wanted him to get them for him. — Homer

In your Easter Bonnet
With large flowers on it,
You'll wear a short jacket suit
And be trim from head to foot.

Or if this will not do,
You can parade the Avenue
In a skirt that's all a pleat
With crop top, simple and sweet.

If you want the fellows to stare
Make like Jackie with your hair.
A pill box hat atop it
Will mean you're really a hit.

If you find you're in
the Rotogravure,
Jewelry big and bold is sure
To give you that very smart look
Usually seen only
in a fashion book.

Fifth Avenue, Fourth St.
or on the Square
Colored shoes you'll love to wear
With matching bags and gloves
And light-weight coat
everyone loves.

No matter what you wear
New, old, drab or debonaire
That for what you really search
Can best be found
right in your Church.

Caton Expresses Educational Goal

John Caton, a Comanche High School freshman, recently submitted an article to SENIOR SCHOLASTIC, a national magazine used by schools. The article entitled "What Is Your Most Important Goal in High School?" was published in the teen-age column "Jam Session" in the March 22 issue.

John said, "The main goal in high school should be to acquire knowledge. Many students receive good grades, but this is not always a sign of intelligence."

A native of Bennington, Oklahoma, John first attended school in Durant, Oklahoma. This year John entered Comanche High School as a freshman, and he has earned a place in the hearts and lives of his classmates. He is a drummer in the Indian Band, and he served as manager for the basketball team. This freshman entered the poetry reading contest and submitted editorials ot the WARRIOR.

In addition to his regular school activities, John Caton has hobbies at home where he has a small lab in the garage. He performs science experiments and draws plans for missles and other aircraft.

Upon finishing high school, John plans to enter Oklahoma State University where he will major in chemistry or chemical engineering.

—CHS WARRIOR

The first aircraft carrier which was designed and built as such, was the USS Ranger in 1933.

The first chapel built on Navy property was dedicated at Annapolis on Feb. 5, 1854.

...Senior Girls Honored With Breakfast

Twelve senior girls were honored with a mother-daughter breakfast at the home of Mrs. Cagle last Saturday morning, March 18. Mrs. Oscar Hill was co-hostess.

On their arrival the guests were served tomato juice cocktail by Miss Nobia Dunn, Senior Play sponsor. The breakfast was served buffet style from the polished dining room table centered with a rooster and hen wearing graduation caps. A runner with the message "Congratulations, Seniors" was surrounded with greenry and miniature graduation caps.

The guests were served sausages, scrambled eggs, spiced hominy, assorted muffins, hot biscuits, orange marmalade and strawberry preserves with coffee. They seated themselves at card tables where they found their places marked with fortunes tied in diploma style. After breakfast the guests each read their fortune aloud.

Mrs. Cagle and Mrs. Hill presented each of the honorees with a package of graduation thank you notes.

Attending were Janice Isham, Beverly Barret, Judy Kay McCullough, Virginia Cobb, Judith Robertson, Jean Mims, Janet Meyers, Kathy Arthur, Sue Gore, Deanna Durham, Gail Anthony, Nancy Lane, Marguerite Ross, Nobia Dunn, and Mesdames J. N. Isham, W. J. Barret, Elton McCullough, Howell Cobb, Roy Mims, Vollie Meyers, Bailey Gore, W. M. Durham Jr., Boyd Anthony, James Wilkerson, and Martin Eads.

Merlin Jenkins, Employee of City For 26 Years, Dies

Merlin E. Jenkins, who would have been 66 years of age April 26, passed away at his home, 601 W. Wright Avenue, at 12:45 a.m. Tuesday, March 28. He had been ill for some time. He served for 26 years as water superintendent for the City of Comanche before his retirement last November. Much of that period he also served as city street commissioner, and was regarded as one of the town's most valuable employees.

Funeral services for Mr. Jenkins were held at 2 p.m. Wednesday, March 29, in the Comanche Funeral Home Chapel, with his pastor, Rev. Plez Todd of the First Methodist Church officiating, assisted by Rev. J. D. Smoot, retired Methodist minister.

Interment was in Oakwood Cemetery, Comanche.

Mr. Jenkins was a 1913 graduate of Comanche High School and studied science two additional years in Chicago.

A native of Comanche County, Mr. Jenkins was born April 26, 1895. His late father, W. D. Jenkins, was a school teacher for many years and for six years was county school superintendent and later principal of the Comanche Grammar School. His late mother was Daisy Webb Jenkins, member of one of the pioneer families of the county. With the exception of the time spent in Chicago and a few years in Gorman where he operated an electric shop, Mr. Jenkins spent nearly all of his life in Comanche.

A veteran of World War I, Mr. Jenkins worked under six different mayors and many different councilmen during his long tenure with the city. He was a member of the I.O.O.F. Lodge.

Mr. Jenkins was married May 29, 1921 to Miss Faye Hanna, a highly educated and talented woman, active in community and church affairs.

In addition to his wife, Mr. Jenkins is survived by one son, Merlin E. Jenkins, Jr. of Abilene; two daughters, Mrs. Norris Creek of Visalia, Calif., and Mrs. Cecil Hickey of Comanche; a brother, Webb D. Jenkins of Odessa; a sister, Mrs. Gertrude Fowler of Jayton; and four grandchildren.

DAILY RULES

Here are a few daily rules, that are intended to make the world more livable and "abundant":

- Do not contradict people, even if you are sure you are right.
- Do not be inquisitive about the affairs of even your most intimate friend.
- Do not underrate anything because you do not possess it.
- Do not believe all the evil you hear.
- Do not repeat gossip, even if it does interest a crowd.
- Do not jeer at anybody's religious belief.
- Learn to hide your aches and pains under a pleasant smile; few care whether you have earache, headache or rheumatism.
- Learn to attend your own business—a very important point.
- Do not try to be anything else but a gentleman; and that means one who has consideration for the whole world.

THANK YOU!

I want to thank the per who returned my coat to me ter I had lost it. Since I do know the identity of the per who returned this, I am tak this method of saying "tha you."—Ronnie Brawley. (1

Industrial Report For Area Looking Bright

The Industrial Survey of Comanche as revealed in a speech by Howell Cobb at the recent annual banquet here brought favorable comments from many in attendance.

The speech in full follows:

We are familiar with, and take pardonable pride, in the fact that in agriculture, we are one of the biggest producers, most diversified counties in the State. There is hardly an agricutural product, or a type of livestock, produced in the State that the farmers and ranchers of Comanche County do not also produce, all of which adds greatly to the growth and stability of our economic position.

Sometimes however, we do not realize or appreciate the fact that our industrial out-put is also large, and, at the same time almost diversified as our agriculture.

The Santa Fe says that Comanis among the heaviest, if not the heaviest shipping point for in and out freight by rail between Fort Worth and Lubbock on their line.

We believe that Comanche County products are probably distributed to more places in the United States, than are products from any other county in Texas. It is my purpose to briefly call your attention to some of our industrial production.

DURHAM PEANUT CO.

Since Texas is the second largest peanut producing State in the Union, and the largest Spanish peanut producing State in the Union, and, since Comanche County has the largest peanut acreage allotment of any county in the United States, and,in a normal year, produces more peanuts than any county in the United States, it is quite natural that we should have one of the largest peanut shelling and processing industries in the country.

Durham Peanut Co. was first established in 1926, primarily as a pecan shelling and merchandising business, under the management of the late Walter Durham, Sr. and his associates.

From the beginning it has grown steadily, and is today one of the largest of the industry.

Last year it added warehouse facilities for approximately 4000 more tons of farmers stock peanuts. It has the newest and most up-today equipment and machinery for handling, shelling, picking, packaging and shipping peanuts, and peanuts processed at this plant find their way into the markets all over the world. Gives year round employment to approximately 50 people, and employs approximately 75 during the peak season.

CENTRAL TEXAS FERTILIZER

The Central Texas Fertilizer Co. was established in 1947. In 1956 they built an entirely new and modern plant. Furnishes regular employment for 24 persons. They are basic manufacturers of super phosphates and mixed fertilizers. At the present time their products are distributed in Texas, New Mexico, Oklahoma and Louisana.

CHOICE BAKING CO.

The Choice Baking Company was organized as the Choice Cookie Company in 1937. It has grown steadily and today is the largest independent cookie plant in Texas, and one of the ten largest in the United States. Last year it added 9000 sq. ft. of floor space, giving it a total of 30,000 sq. ft. It also added new equipment and machinery raising its capacity from 20,000 to 30,000 lbs. of cookies per day. At the present time it has 60 regular employes, and it distributes and sells cookies in ten of our States.

WRIGHT LEATHER GOODS

The Wright Leather Goods Mfg. Co. was organized and started in 1949, which I believe was started as a home industry. Today they employ 13 people, and make 47 belt numbers, 14 numbers in watch bands, and 17 billfold numbers. Their products are distributed by 41 jobbers in 26 states. Now planning to expand into other fields of leather novelties.

DURHAM DRUG PRODUCTS

This company started business in 1946. Has 6 employees. Make about 20 different items of stock remedies, agricultural insecticides and drug products, which are distributed by jobbers throught the State.

In addition to the above we have Feed Mills which are engaged in the manufacturing and mixing of all types and kinds of livestock feeds. An Iron Works that makes and distributes all kind of ornamental iron, an Air Conditioner manufacturer who distributes his products to all parts of the State. We also have a Hatchery that ships baby chicks all over Texas and into Old Mexico.

We have good School and Church facilities, a public library, and the Burks Museum, which, since it attracts tourists, certainly should be included as one of our industries. This Museum is open daily. Without charge, and has antiques of all kinds, including many pieces of horse-drawn farm equipment, and John Wesley Hardin relics. In 1960 over 300 registered from nearly every state in the union, and went throught this interesting place.

In reviewing our industrial production, it seems to me that one significent fact stands out, that in nearly every instance these businesses were organized, and are now owned and operated by native Comanche people. We certainly need and will welcome the moving in of new industries, but, in our efforts to attract new industry, I believe that we should bear in mind that perhaps our greatest source of new industry is right here among our own people.

In closing this report, I would like to mention that now and in the near future, we will have the opportunities to develop recreational and tourist facilities and attractions in connection with the new Proctor Dam. The U. S. Department of Commerce states that a town which can attract two dozen tourists a day has a source of income equivalent to an industry with a $100,000.00 annual payroll.

And so we return to reiterate the statement made at the beginning of this report, without too much fear of contradiction, that products made in Comanche County are distributed to more different places in he United States than are the products made in any other county in the State.

't you go with me today?"

ought I lived a pretty good
e,
ed the Golden Rule,
I never took her little hand
went to Sunday School.

little eyes would shine so
ight
he looked up at me,
in a simple, child like way
told of Calvary.

She said that Jesus died for me
And that He rose again,
"Please Daddy, place your trust in Him
And take His nail-scarred hand."

But I thought I was too busy then
She was ujst a cild, you know;
So I turned a deaf ear as she begged,
"Please, Daddy, won't you go?"

You see I had to mow the lawn
And spade the flower bed,
But I would have stopped and gone
Had I known what lay ahead.

Well, the months turned to years,
And as she grew so fast,
Her thoughts turned to worldly things
And her childhood days were past.
Yes, the years have slipped: as I grow old
I find time for Sunday School,
But now my daughter tells ME "No,"
She lives for Gold—without a Rule.

One by one the years have gone
I hear her plea no more,
"Please, Daddy, won't you go with me?"
For her childhood days are o'er.

It seems when I am all alone,
I can see her little face,
As she went alone to Sunday School,
ALONE! to fill her place.

Neglect has brought mh heart-aches
That time cannot erase,
If only I had gone with her
And been there in MY place!

So, Daddy, TAKE your little girl,
Don't wait for her to say,
"It's nearly time for Sunday School,"
But, Dad,—YOU lead the way.

Interest Running High In DeLeon City Election

Interest is running high, and a record turn-out of voters is expected in the De Leon City election next Tuesday.

Present members of the De Leon City Commission seeking re-election are R. V. Bond and Lowell Pittman. Bond's opponent for Place 1 is Curly West, and Pittman's opponent in the Place 2 race is Leonard Lamb.

Bond and Pittman are running for re-election on the present City of De Leon administrative policies, which includes the keeping of controversial parking meters in De Leon.

The parking meter proposition is to appear on the ballot in the De Leon City Election—and voters will either approve the meters and they will remain, or reject this "pay to park" proposition, and the meters will be taken out.

The meters were put in operation in De Leon on June 1 last year, with the understanding that they would be taken out if City of De Leon voters showed in the April 1, 1961 city election, that they preferred that they be rejected.

Mayor W. B. Nowlin, of De Leon, who was a Comanche visitor Monday, said the meters brought in a much needed $6,441.19 to the City of De Leon in 9 months of operation.

Mayor Nowlin says too, that it is his present intention, along with present Council member Charles T. Morgan, to resign if the meter problem is not okayed in the April 4 election.

Assembly Presented By Library Club

The Library Club presented the assembly Monday, March 27.

Joyce Blansit began the program by leading the Pledge of Allegiance to the Flag.

The invocation was presented by Judy Kay McCullough. Kay Rachels and Marsha Wilkerson presented two songs to the student body.

Information about the Comanche Public Library was given by Mrs. Phyllis Ellis, one of the originators of the new public library.

Janice Isham sang a solo and was accompanied by Gail Anthony.

Flowers in the Library

Mrs. Jim Johnson recently gave the library two pots of ivy. "The ivy is very pretty and added much to the library," said Miss Nobia Dunn, C.H.S. librarian.

Senior Play Cast Treated By Evridges

The time was 6:30; the date was March 15; the party was the Senior Play cast; and the destination was Joe Evridge's Ranch in Newburg.

After having had many nights of play practice, the play cast "took a break" to be guests of Mr. and Mrs. Joe Evridge. The Evridges treated the cast to as many hot dogs and trimmings as they could eat. For entertainment each member of the cast displayed his own "hidden talent" and surprisingly enough came up with some real "dandys". Among the many talents were Jimmy Walker's pantomine of Elvis Presley's "Blue Suede Shoes" and several monologues by Butch Weatherby.

The cast was accompanied by Miss Nobia Dunn, Mr. and Mrs. Ben Evridge, and Mr. and Mrs. Joe Evridge.

Come to Church EASTER

Easter-the Prince of Peace is risen

Union Sunrise Easter Services, sponsored by the Comanche Ministerial Association, are to be held at 7:00 a.m. Sunday morning at the First Baptist Church. You are cordially invited to attend these services. There's to be a special music by the Pat Howard Singers and an inspirational message by Minister Harry Hames, pastor of the East Side Baptist Church.

You Need Your Church and Your Church Needs You

Springtime and Easter herald the awaking of all the land as it should be in our hearts, a reviving of hope, love, and faith for ourselves, for our loved ones, our families and the world.

Partake of these blessings offered to you this Holy Season, in every Christian church as pastors will again tell the story of the life, death and resurection of Jesus Christ.

Mrs. Sam Stratton Honored Here With Farewell Bridge Luncheon

Mrs. Sam Statton who is returning Sunday to her former home, Waco, was honored with a farewell bridge last Saturday at the home of Mrs. Pat Cagle. Cohostesses were Mesdames Clara Slack and Joe Tupin. Mrs. Stratton for the past nine years has made her home in Comanche with her daughter, the late Mrs. L. K. Ory and Dr. Ory at 601 West Duncan.

An Easter motif was used in the party decorations with the center of interest a table decorated with an assortment of miniature Easter hats. Following the delicious lunchon the guests enjoyed bridge with Mrs. Frances Waring winning high score. She presented the prize to the honoree who also received a lovely decorated gift box filled with a shower of hankerchefs.

Attending were the honoree and Mesdames Waring, Jack Moore, W. A. Robertson, John Reese, Elbert Cox, Ira Clemons, L. C. Durham, G. P. Tate, Robin Bassinger, W. J. Barret, Tom Dudley, and Elmo Montgomery.

When Mrs. Stratton was presented with her gifts she left not a dry eye in the party when she read to them one of her original poems which she dedicated to the many friends she made while residing here in Comanche.

With her permission we are pleased to reprint the poem "I Am Old But".

I AM OID BUT

The days are just as beautiful
The flowers bright and gay
The leaves are just as tender
That fall across my way.

Friendships rare and beautiful
Warm with a golden shine
And lace my steps together
With poetry and rhyme.

Into that mystic twilight
With no vain regrets to smoulder
I walk in peace, serene with God
His hands upon my shoulder.

Heartburn? Sour Stomach?
Acid-Indigestion?

Try the NEW PINK Rexall BISMA-REX with micronized Bismuth Aluminate

5-oz. jar 98¢ Pound, 1.98

Recent laboratory tests proved that BISMA-REX powder neutralizes excess stomach acid faster than three of the products most often taken for acid-indigestion. Tests also showed that the action was more prolonged. And its fresh mint flavor makes Bisma-Rex so pleasant to take.

- Relieves heartburn due to excess acid
- Eases gastric distress when due to acid-indigestion
- Soothes and protects irritated stomach membranes
- Calms "butterfly stomach"

NEW PINK BISMA-REX TABLETS. Easy to carry... easy to take. 100's, 1.79; 50's, 97¢
